About this Guide

This resource guide is the result of the efforts made by the **Grundy County Community Empowerment Collaboration**.

Sponsored by Green Hills Community Action Agency, the GC-CEC is a union of area citizens and various civic organizations with the common goal of making Grundy County a better place to live and work.

Our Case for Change

The root of poverty runs deep. Therefore we must dig below the surface to reveal the underlying causes of impoverishment.

Our Vision

Grundy County, a safe, caring, self-sufficient community with strong family values that prosper through community involvement and education.

Our Values: C.A.R.E.
